

## **NAVHDA AIMS and Rules Clinic – July 25<sup>th</sup> & 26<sup>th</sup> 2020**

**(Previously known as Handlers Clinic)**

This clinic is an educational tool developed by NAVHDA to help dog owners and handlers understand the testing system. The clinics are conducted by designated NAVHDA senior judges and clinic leaders. In this clinic we will cover a variety of topics over two days, including informal classroom style instruction on the NAVHDA philosophy, test mechanics, and the scoring system for each test. Participants will also take to the field and water to judge and score dogs being run in a mock test setting. After each section the participants and the Clinic Leader will discuss the dog's performance, where the performance would fall in the NAVHDA scoring system, and any strengths or weaknesses in training and handling. Many Clinic Leaders also include helpful tips and tricks on handling dogs in NAVHDA tests.

The Keystone Chapter will be hosting an AIMS and Rules Clinic on **July 25 & 26, 2020**. The classroom sessions and field work will be held at the S & M Hunting Lodge. Water work will be done at the nearby York Springs State Game lands. The cost of the two-day clinic is **\$150 per participant**, which includes a copy of the latest edition of the NAVHDA AIMS book, as well as coffee and doughnuts each morning and a full lunch each day. An optional Saturday night group no-host dinner will be held at the individual's expense, details and sign-up sheet will be available the Saturday of the Clinic.
